NETWORK OF HEALTH PROMOTING SCHOOL

- ✘ connects 40 educational institutions;
- ✘ discusses health education peculiarities, problems and the ways to solve them involving community;
- ✘ shares the partners' experience to create a healthy lifestyle model for a community.

SCHOOLS' HEALTH STRENGTHENING ACTIVITIES ARE BASED ON:

- ❖ prevention;
- ❖ physical activity;
- ❖ healthy food.

MAIN ACTIVITIES:

- ✘ Prevention of bad habits;
- ✘ Formation of youth's proper attitude towards alcohol, drugs and tobacco;
- ✘ Extra curriculum activities.

When a famous philosopher, humanist and educator Albert Shveicer was asked about the best way to educate children, his answer was

-There are three ways:

1st-to follow an example;

2nd-to follow an example;

3rd- to follow an example.
